# Md Mahbob Alam

Dhamrai, Dhaka, Bangladesh. ☎ +8801813880373 ✉ emptymahbob@gmail.com
https://www.linkedin.com/in/emptymahbob https://emptymahbob.github.io

## CORE COMPETENCIES

- **Security Tools:** Burp Suite Pro, Nmap, Amass, Sqlmap, Postman, SIPG, Ffuf, Nuclei, Aquatone, Ghauri, Confused, Naabu, etc.
- **Other Tools & Technologies:** CVSS, Git.
- **Language:** Python, PHP, Bash Scripting, SQL.
- **Areas Of Expertise:** Penetration Testing, Vulnerability Research & Exploitation (IDOR, XSS, CSRF, RCE, LFI, SQLi, etc.), Security Frameworks & Risk Management, Problem Solving, Automation, Team Collaboration.
- **Compliance Framework:** Familiar with HIPAA, GDPR & NIST.

## EXPERIENCE

**Security Analyst (Vulnerability Triage & Assessment)** **Feb 2026 – Present**
**Kahf Yazilim Anonim Şirketi (https://kahf.com.tr)**
**Key Role:**
- Validate and reproduce reported vulnerabilities.
- Assess impact and assign severity ratings (CVSS), identifying duplicates and false positives.
- Collaborate with engineering teams to ensure accurate remediation.

**Penetration Tester** **Jan 2024 – Jan 2026**
**PentesterSpace (https://pentesterspace.com)**
**Key Role:**
- Conducted project-based penetration testing for local & international companies.
- Delivered vulnerability reports with detailed impact analysis & remediation steps.
- Collaboration with the dev team to patch and implement perfectly.

**Security Researcher / Bug Bounty Hunter - Clear-verified** **Jan 2020 - Present**
**Hackerone** (https://hackerone.com/emptymahbob)
**Key Role:**
- Conducted security testing for ***50***+ local & international companies, reported ***500***+ valid vulnerabilities including high-critical.
- Specialized in identifying IDOR, CSRF, XSS, RCE, Business logic flaws and etc.
- Collaborated with other security researchers to maximize the impact.

## BUG BOUNTY HALL OF FAME / ACKNOWLEDGEMENT **Jan 2020 - Present**

• Yahoo • Sony • Nokia • Alibaba • Ford Motor Company • U.S. Dept Of Defense • U.S. Department of Education • The U.S. Defense Industrial Base • U.S. Department of Justice • United Parcel Service Inc(UPS) • U.K. Health and Safety Executive • U.K. Companies House • The Office of National Statistics U.K • Dutch Government • 2K Games • Procter & Gamble • New Work SE • The Walt Disney Company • Global Payments Inc • Erasmus University • University of Sheffield • University of Cambridge • American Airlines • Visma • Palo Alto Software • KeyBank • Costco • Mondelēz International • VK LLC (Mail.ru) • MTN Group •

Anywhere Real Estate Inc • Intuit • Mondoo • QIWI • Informatica • stripo inc • Experian Information Solutions Inc • ABB Group • Duolingo and many more.

## CERTIFICATIONS

**Google Cybersecurity Professional Certificate - Coursera** **Jul 2024**
**Skills:** SIEM Tools · Incident Response · Security Frameworks & Controls · Threat & Vulnerability Management · Linux · SQL · Python · Data Privacy
**Credential:** https://coursera.org/share/d65b996920ce76481d05f0d96ae4639c

**Certified Cyber Security Analyst (C3SA) - CyberWarFare Labs** **Jul 2024**
**Skills:** Cyber Range Lab setup · Web & Network Exploitation · OS Exploitation · Cloud Penetration Testing · Vulnerability Analysis · Data Privacy
**Credential:** https://app.kajabi.com/certificates/3ae47979

**Certified AppSec Practitioner v2 (CAP) - The SecOps Group** **Sep 2025**
**Skills:** Web Application Security · Vulnerability Assessment · Penetration Testing · Secure Software Development Lifecycle · OWASP Top 10
**Credential:** https://candidate.speedexam.net/certificate.aspx?.....

**Ethical Hacker - Cisco Networking Academy** **Oct 2025**
**Skills:** Ethical Hacking · Vulnerability Assessment and Penetration Testing (VAPT) · Exploiting Applications · Pentesting Tools · Social Engineering · Reporting
**Credential:** https://www.credly.com/badges/98bd3dd3-05f1-4d1b-a81d...

## EDUCATION

**B.Sc. in Software Engineering (Major in Cybersecurity)** **2022 – June 2026**
Daffodil International University

**Diploma in Computer Technology** **2017 – 2021**
Faridpur Polytechnic Institute

## COMMUNITY SERVICES

- Participant in **BCS CTF 2026.**
- Finalist **CYBER INVASION'25** | On-site CTF Competition.
- Finalist **DIU CYBERCON CTF 2025** | On-site National Cybersecurity Conference and CTF Competition.
- Finalist **HackerOne Bug Hunt 2023** | On-site Hacking Contest & Security Conference.
- Finalist **BUET CSE Fest 2023** | On-site CTF Contest & Conference.
- Finalist **Take-Off programming contest** | On-site Programming Contest & Conference.
- Participant in **Bugcrowd Hacker Cup 2023**.
- Participant in **BDSec CTF 2025**.
- Participant in **HackerOne Ambassador World Cup 2023**.

## AWARDS AND ACHIEVEMENTS:

- **NCSC-UK GOV Challenge Coins – 2X** **2023**
- **Bugcrowd hackercup Challenge coin** **2023**
